BROCHURE - ACP Group of States: Making a difference in the lives of its citizens

mer, 02/11/2016 - 22:22 | isylla

ACP Group of States: Making a difference in the lives of its citizens (EN) ^[1]

A snapshot of a few examples showing the positive impact of the range of ACP-EU programmes currently being implemented, including initiatives in the areas of higher education, climate action, private sector development, infrastructure and culture.

Le Groupe des États ACP: Avoir un impact sur les vies de ses citoyens (FR) ^[2]

La présente publication donne un bref aperçu de la situation illustré par des exemples d'initiatives menées dans les domaines de l'enseignement supérieur, de la lutte contre le changement climatique, du développement du secteur privé, des infrastructures, de l'agriculture et de la culture.
