

Documents from the ACP Renewable Energy Workshop and Preparation for the UNFCCC COP17 - DAY 1

Documents from the ACP Renewable Energy Workshop and Preparation for the UNFCCC COP17 - DAY 1

mar, 15/11/2011 - 06:34 | isylla

Concept Note and Programme ([ENG](#) ^[1] / [FR](#) ^[2])

Powerpoint Presentations (*Click [here](#) for Day 2 Presentations* ^[3])

[NAMAs and CETs in ACP Countries: Challenges, opportunities and status](#) ^[4] - Martin Zwanenburg, BizClim Consultant

[Where has all the investment gone? The future of biofuels in ACP countries](#) ^[5] - Meghan Sapp, Secretary General, PANGEA

[The future of wind energy: Constraints and opportunities](#) ^[6] - Hermann Oelsner, President, African Wind Energy Association

[Supporting energy efficiency and renewable solutions and investments](#) ^[7] - Jensenio Delgado, Renewable Energy Expert, ECREE

[Renewable Energy in East Africa](#) ^[8] - Ms Sue Canney Davison, Director, PIPAL (Kenya)

[Clean Energy and partnerships in ACP countries](#) ^[9] - Paul Van Aalst, Director, E+Co Europe

Presentation by Christophe Yvetot, Head of UNIDO Brussels Office

[Private sector perspectives on PPPs for scaling up renewable energy investments](#) ^[10] - Joseph Nganga, CEO, Renewable Energy Ventures, Ltd. (Kenya)

[More private sector perspectives on PPPs for scaling up renewable energy investments](#) ^[11] - Rafael Campillo Lorenzo, International Relations, Solaria Energias Renovables (Spain)

[Solar PV in Sub-Saharan Africa: A case for an ambitious industrial programme](#) ^[12] - Karim Megherbi, President, HELIOS (France)

Presentation by Stfan Mard, Senior Advisor, Novozymes (Denmark)

[Sommet de Rio 2012 et partenariats des Nations Unies pour le développement durable information et ISO26000](#) ^[13] - Christian Brodhag, Institut de l'Energie et de l'Environnement de la Francophonie (IEEF/OIF)

Financiers perspectives on renewable energy investments, challenges and opportunities ^[14] - Mark Buiting, FMO

EIB Climate Change Action in ACP ^[15] - Monique Koning, Head of Project Finance and Guarantees, ACP IP Department, European Investment Bank

Renewable Energy Feed In Tariff Policy - The most successful framework for the acceleration of RE ^[16] - Ansgar Kiene, Director, World Future Council Africa and Coordinator, African Renewable Energy Alliance (AREA)

(SEE ALSO Day 2 Presentations ^[3] and

Outcome Document ^[17] from the ACP Preparatory Meeting for COP17 in Durban)
