FEATURED VIDEO: Culture, investment & SDGs - 4th Meeting of ACP Ministers of Culture

Ministers responsible of the development of the cultural sector and cultural industries in Africa, the Caribbean and the Pacific gathered in Brussels on 9-10 November to discuss the crucial relationship between culture and sustainable development, under the theme: “*Making Culture and Impact Investment in Achieving the 2030 Agenda on Sustainable Development*”. Ministers committed to ensuring more attention to the sector in government plans and strategies, including enhanced funding, integration into national policies, and coordination with other departments.
