Congratulatory Message from H.E. Mrs Sylvie Baïpo Temon, Minister of Foreign Affairs of the Central African Republic and President-in-Office of The OACPS Council of Ministers

Brussels, 6 June 2022/OACPS: It is my honour to wholeheartedly congratulate the Organisation of African, Caribbean and Pacific States (OACPS), on the celebration of the 2nd anniversary of OACPS Foundation Day.

On this day, the 6 June, the OACPS also celebrates the 47th year of its existence. This is no mean feat and is a testament to the resilience of the OACPS and the commitment of the people of the OACPS to this institution.

This anniversary celebrates over four decades dedicated to improving the lives and livelihoods of the citizens of the Members of the OACPS. A journey which started when leaders from African, Caribbean and Pacific States decided to unite to chart a joint future.

Through the solidarity with our brothers and sisters across the six regions divided among three continents, this unique Organisation is building on the innovations and achievements of the past to prepare itself to be a more dynamic, more relevant and more resilient role player on the international scene.

On behalf of the Government of the Central African Republic, and in my capacity as President of the OACPS Council of Ministers, I commend the Secretariat of the OACPS on the able assistance over the years and on the vision and commitment to create a better future.

"Happy OACPS Foundation Day!"
