EDF 10 & 11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX

(March 2016)

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
1 PUBLIC HEALTH SECTOR			
<p>Agreement No.REG/FED/21985- Contribution to Global Fund to Fight AIDS, TB and Malaria. The Financing Agreement between the EC and the ACP was signed on 8 February 2011 for an amount of € 150.0million. The execution period is 72 months The F.A is implemented through Administration Agreement between the EC and the World Bank.</p> <p>Implementation Mode: Joint Management with an international organization (the World Bank-the Global Fund to fight AIDS, TB and Malaria</p>	<p>The purpose of the project is to make a sustainable contribution to mitigating the impact caused by HIV/AIDS, tuberculosis and malaria in ACP countries.</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Increased coverage, distribution and utilization of effective country-owned interventions and greater commodity security to fight against the three diseases; • Strengthen health systems. 	<p>The implementation of the Programme's activities has ended.</p>
<p>Agreement No.REG/FED/22024-Increasing Access to new Under-Used Vaccines in GAVI-eligible ACP countries was signed on 8 February 2012 for an amount of €20.0 million.</p> <p>Implementation Mode: A Grant Contract has been signed between the EC and GAVI for the implementation of the action.</p>	<p>The Programme's objective is to improve and sustain increased immunization coverage in GAVI-eligible ACP countries benefiting from GAVI support through the procurement and delivery of pentavalent vaccines, including DTP, Hep B and Hib on the basis of country applications approved by GAVI for the years 2011-2012.</p>	<p>Expected Results are as follows:</p> <ul style="list-style-type: none"> • Pentavalent vaccines provided to MoHs, in accordance with each country proposal; • Improved and/or sustained national immunization rates against the diseases targeted by the pentavalent vaccines. 	<p>The programme is ongoing GAVI continues to provide reports to the Sub-Committee on Sustainable Development More information: Contact Dr. Kakule at: Kakule@acp.int</p>
<p>Agreement No. REG/FED/ 022-887 Renewed EU/ACP/WHO Partnership: Strengthening pharmaceutical systems and improving access to quality medicines in countries in Africa allocated €10,000,000 and WHO contributes €1,000,000. The Financing Agreement was signed on 26 Jan. 2012</p>	<p>The purpose of the programme is improve availability, affordability and use of safe, effective and good quality essential medicines in African ACP countries. This is in response to the ongoing problems with medicines of low availability, high prices and need to regularly up-date Essential Medicines Lists (EMLs).</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Improved availability and supply of essential medicines in national, regional and community health facilities in African ACP countries; • Lower medicines prices, increased affordability and establishment of fair financing schemes for medicines within social health protection models to ensure sustainable and equitable access to medicines 	<p>The Programme is ongoing</p> <p>The officials of the WHO continue to be routinely invited to brief the Sub-Committee on Sustainable Development on the progress.</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
2. CLIMATE CHANGE SECTOR			
<p>Agreement NO.REG/FED/2009/2009/021-508</p> <p>RPR/009/09-Support to Global Climate Change Alliance (GCCA). Amount allocated is €40.0 million and broken down as:</p> <p>First Component; Technical Support</p> <ul style="list-style-type: none"> - An Intra-ACP Climate Support Facility of €4,000,000; - An institutional Support to the ACP Secretariat of € 700,000; <p>Second Component: Support to the Implementation of EU-ACP Joint Declarations on Climate: € 32,000,000:</p> <p>Africa: Support to ClimDev Africa of € 8,000,000</p> <ul style="list-style-type: none"> - COMESA-€ 4,000,000; - ECOWAS-€4,000,000 <p>Caribbean-€8,000,000 Pacific-€8,000,000</p> <p>Financing Agreement was signed on 13th January 2010</p> <p>Implementation Mode</p> <p>Direct management (regional components domicile in CILLS, COMESA, ECOWAS, CCCCC and USP;</p> <p>Indirect Management (ACP Secretariat is the Contracting Authority for the service contract on the component for the support of the Secretariat.</p>	<p>The programme is designed to provide a platform for dialogue and a shared vision between the EU and the developing countries hardest hit by climate change. Specifically, the programme will support adaptation strategies and where (where it benefits the poverty reduction objectives) participation in the global carbon market.</p> <p>The alliance is based on two pillars:</p> <ol style="list-style-type: none"> 1. Improved dialogue and exchange of experiences. The results of the dialogue will feed into discussions on the post-2012 climate agreement under the UN Framework Convention on Climate Change (UNFCCC); 2. Concrete support for adaptation and, where beneficial for the achievement of poverty reduction aims, for mitigation measures. 	<p>Expected Results:</p> <p>Support to ClimDev Africa €8.0 million:</p> <ul style="list-style-type: none"> • Increased capacity in African climate and weather institutions as well as other related institutions; • Improved availability and use of quality climate information and services; <p>Support to the Caribbean €8.0 million:</p> <ul style="list-style-type: none"> • Improved regional knowledge and dialogue on climate change; • Better coordination of the policies of the CARIFORUM countries in response to the adverse effects of climate change and increased exchange of experience; <p>Support to the Pacific €8.0 million:</p> <ul style="list-style-type: none"> • Enhance the capacity of Pacific islands people to understand climate change, its impacts and how to adapt; 	<p>The Programme is ongoing</p> <p>Following the Mid-Term Review conducted during the 2014, the programme has been extended by one and half years to end in June 2016.</p> <p>Through an Addendum No.4 signed in February 2016 to the Service contract, the Junior Expert has been replaced.</p> <p>Regional Components domicile in CILLS, COMESA, ECOWAS, CCCCC and USP</p> <ul style="list-style-type: none"> - CSF managed through Service Contract - Support to the ACP Secretariat through Service Contract <p>More information: Contact Mr. Ojo at: ojo@acp.int</p>
<p>Agreement No. REG/FED/22121-Biodiversity and Protected Areas Management (BIOPAMA) was signed on 22 December 2010 for an amount of €20.0 million</p> <p>Implementation Mode:</p> <p>JRC; Direct Centralized Management by administrative arrangement. IUCN: Direct Centralized Management by direct grant agreement with IUCN; Indirect Centralized Management via a delegation agreement with GTZ.</p>	<p>The programme seeks to assist the ACP countries in developing a framework for improving technical and institutional approaches through capacity building and regional cooperation to manage biodiversity conservation. It will contribute to ensure biodiversity conservation and to maintain the ecological services provided by protected areas particularly for the benefit of local populations.</p>	<p>Expected benefits are as follows:</p> <ul style="list-style-type: none"> • The effective planning and management of protected areas in improved by the use of scientific and policy information for sustaining the ecosystem services-R1: • A “Centre for Protected Areas and Biodiversity” is set up in each of the three regions involved –R2); 	<p>The Programme is ongoing</p> <p>More information: Contact Mr. Ojo at: ojo@acp.int</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<p>Agreement No. REG/FED/022-553 – Monitoring for Environment and Security in Africa (MESA) was signed on 13 February 2012 and allocated an amount of 20.0 million to be implemented in 90 months through partially decentralized management with the AUC and Direct Centralized (JRC)</p> <p>Implementation Mode Indirect Centralized Management by the African Union Commission (AUC) through a Programme Management Unit</p>	<p>The purpose of MESA project is to increase the information management, decision-making and planning capacity of African continental, regional and national institutions mandated for environment, climate, food security and related responsibilities by enhancing access to and exploitation of relevant Earth Observation applications in Africa.</p>	<p>Expected results:</p> <ol style="list-style-type: none"> 1. Improved and sustainable access by African stakeholders to Earth Observation (EO) data and information at continental, regional and national levels; 2. Improved Earth Observation data and information services available, contributing to better decision-making and planning at continental, regional and national levels 	<p>The Programme is ongoing</p> <p>Contact Mr. Ojo at: ojo@acp.int</p>
<p>Agreement No. REG/FED/023-649-Capacity-Building Related to Multilateral Environmental Agreements in ACP countries-Phase 2 (ACP/MEAs 2) was signed on 12 April 2013 for an amount of 10.0 million and to be implemented in 84 months under Centralized management (joint management with UNEP/DELCO and FAO) through separate Contribution Agreements with the EC.</p> <p>Implementation Mode Components managed through contribution agreement with FAO, UNCCD and UNEP. Activities coordinated by UNEP.</p>	<p>The purpose of the project is to support and strengthen institutions and other stakeholders involved in the mainstreaming and implementation of Multilateral Environmental Agreements (MEAs) in ACP countries.</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Institutional capacity-building of the ACP regional institutions and MEA secretariats involved have enhanced and sustainable capacity to implement the target MEA clusters (chemicals/wastes and biodiversity) • National authorities and focal points in ACP countries have specific processes and mechanisms that facilitate the sharing of information. 	<p>The Programme is ongoing</p> <p>Contact Mr. Ojo at: ojo@acp.int</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<p>ACP-EU Energy Facility under the 10th EDF has been financed with EUR 200 MILLION FOR THE PERIOD 2009 -2013</p> <p>Implementation Mode: Centralized Management- Contracting Authority is the European Commission</p> <p>An additional of EUR 25 million has been allocated to the Energy Facility after the Mid Term Review of the 10th EDF intra-ACP envelop</p>	<p>To contribute to the achievement of the Millennium Development Goal on energy while at the same time, helping to combat climate change. More specifically to increase access to modern, affordable and sustainable energy service in rural and peri urban area; improve governance in the energy sector at regional, national and local levels.</p>	<p>Contribute to the development of sound energy policies and strategies, facilitate the removal of the obstacles to the private sector's involvement and strengthen the capacity of public authorities to manage the energy sector.</p>	<p>The Programme is ongoing The Energy Facility continues to be implemented through call for proposals. The latest call for proposals for "Energy and Fragility" was launched in 2014 for the benefit of five countries (Burundi, Central African Republic, Liberia, Mali and Somalia) for €15 million attracted 34 applications. Only eight of the received applications have been recommended for provisional selection. For more information Contact Ms. Leong: cleong@acp.int</p>
<p>Agreement No.REG/FED/023-785 – ACP-EU Building Safety and Resilience in the Pacific was signed on 12th April 2013 for an amount of 20.0 million EUR. The beneficiaries are the 16 ACP Pacific countries.</p> <p>Implementation mode:</p> <p>Direct Management Through a Contribution Agreement between the EC and the Secretariat of the Pacific Community (SPC)</p>	<p>The objective of the project is to reduce the vulnerability as well as the social, economic and environmental costs of disasters caused by natural hazards, thereby achieving regional and national sustainable development and poverty reduction goals in ACP Pacific islands States (PICs).</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Effective preparedness, response and recovery; • Strengthened institutional arrangements for disaster reduction management; • Improved knowledge, information, public awareness, training and education 	<p>The Programme is ongoing The deadline for the implementation of the programme is 12 April 2018.</p> <p>SPC has completed regional consultations on the implementation of the program and is scheduled to provide progress reports to the Sub-Committee of Political , Social, Humanitarian and Cultural Affairs by the first quarter of 2016.</p> <p>For more information Contact Dr. CORRIE-KORDAS at dnatallie@acp.int or SPC Secretariat</p>
<p>Agreement No. REG/FED/024-192 – ACP-EU Natural Disaster Risk Management in the CARIFORUM was signed on the 4th February 2014 for an amount of 20.0 million Euros and to be implemented over a period of 84 months</p> <p>Mode of implementation</p> <p>Result 1- implemented by Direct Centralized Management mode through a grant award to CDEMA (Caribbean Disaster Emergency Management Agency) and the Dominican Republic Ministry of the Presidency and General directorate of Multilateral Cooperation.</p>	<p>The purpose of the programme is to strengthen regional, national and community level capacities for mitigation, preparedness, management and coordinated response to natural hazards and the effects of climate change.</p>	<p>Expected results are as follows:</p> <p>R1-Capacity of National Disaster Offices (NDOs) and CDEMA's Coordinating Unit strengthened for implementation of Comprehensive Disaster Management (CDM); R2-National, local and regional resilience through strengthened early warning, national risk profiling and community-based DRR and CCA; R3- Sector resilience strengthened in key public sectors, through DRR and CCA mainstreaming.</p>	<p>The Programme is ongoing The deadline for the implementation of the programme is 4th February 2019.</p> <p>CDEMA and CDB have completed regional consultations on the implementation of the Work Program, and are scheduled to provide progress reports to the Sub-Committee of Political , Social, Humanitarian and Cultural Affairs by the first quarter of 2016</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<p>Result 2 and 3 implemented through Joint Management between the EU and the Caribbean Development Bank (CDB)</p>			<p>For more information: Contact: Dr. CORRIE-KORDAS dnatalie@acp.int CDEMA Coordinating Unit</p>
<p>Agreement No. REG/FED/024-496 – Building Disaster Resilience to Natural Hazards in Sub-Saharan African Regions, Countries and Communities was signed on 4th February 2014 for an amount of 60.0 million Euros. The programme will be implemented over a period of 84 months.</p> <p>Mode of implementation</p> <p>Result 1 implemented by the AUC and the UNISDR Result 2 implemented by the GFDRR (World Bank) Result 3 implemented by AfDB</p>	<p>The purpose of the programme is to provide the analytical basis and accelerate the effective implementation of an African Comprehensive Disaster Risk Reduction and Risk Management (DRR and DRM) framework (institutional, political, normative, risk identification and assessment, risk reduction, early warning, preparedness and response risk financing for resilient recovery and reconstruction).</p>	<p>Expected results of the programme include:</p> <ul style="list-style-type: none"> • R1-Extended Programme of Action for the implementation of the Africa Regional Strategy for DRR operational through the improved AUC's coordination and monitoring; • R2-African RECs have DRR coordination, planning and policy advisory capacities operational to support their respective member states; • R3-Core capacities of the specialized National and Regional Climate Centres (RCCs) are improved to meet the needs of the DRM agencies and socio-economic sectors. 	<p>Mode of implementation</p> <p>The Programme is ongoing The deadline for the implementation of the programme is 4th February 2019. As of September 2015, the ACP-EU NDRR Program has developed a portfolio of 75 projects, distributed as follows (37 in Africa; 20 in the Caribbean; 18 in the Pacific); For more information: Contact: Dr. CORRIE-KORDAS at dnatalie@acp.int</p>
<p>Agreement No. FED/24888 – Minimising the Illegal Killing of Elephants and other Endangered Species (MIKES) was signed on 4th March 2014 for an amount of €12,335,000 and to be implemented over a period of 78 months. The Convention on International Trade in Endangered Species (CITES) will contribute €1,373,000.</p> <p>Mode of implementation</p> <p>Centralized Management (Contribution Agreement between the EC and the CITES Secretariat).</p>	<p>The purpose of the project is to support management systems, capacity, information and decision-making processes supporting the protection of elephants and other CITES-listed flagship species.</p>	<p>Expected results are:</p> <ul style="list-style-type: none"> • MIKE sites are generating regular and reliable information on the status and threats to elephants and other flagship species and on key benchmarks of law enforcement and management effort; • Law enforcement, adaptive management and monitoring systems, protocols and capacity are strengthened in high priority protected areas selected on the basis of 	<p>The Programme is ongoing</p> <p>For more information: Contact: Mr. Ojo at : ojo@acp.int</p>

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
		<p>their critical importance for protection of elephant or other flagship species;</p>	
<p>Agreement No. FED/24525 – Action Against Desertification was signed on 4th March 2014 for an amount of €20.0 million and to be implemented over a period of 84 months.</p> <p>Implementation Mode:</p> <p>DirectManagement (2 Contribution agreements between the EC and FAO). One Agreement (Africa Region) and the other agreement (Caribbean and Pacific)</p> <p>Additional Contribution by other stakeholders are as follows: AUC: €300,000; Royal Botanic Gardens of Kew: €1.5 million; Governments contribution (Africa): €12.0 million</p>	<p>The purpose of the project is to improve the condition and productivity of the agro-pastoral landscapes affected by Desertification, Land Degradation and Drought (DLDDD) in ACP countries</p>	<p>Expected results are:</p> <ul style="list-style-type: none"> • Enhanced enabling environment and capacity of relevant governmental and non-states institutions and stakeholders in ACP countries in terms of effective cross-sectoral work, planning, financing, budgeting, implementation, monitoring and evaluation of sustainable land/forest management and restoration at a landscape level; • Local communities, governmental and non-state stakeholders in selected landscape of 8 ACP selected countries have adopted and are using improved sustainable land/forest management practices and technologies, as part of their UNCCD national action plans. 	<p>The Programme is ongoing</p> <p>More information: Contact: Mr. Ojo at: ojo@acp.int</p>
<p>Agreement No.REG/FED/22122: Contribution to TerrAfrica Leverage Trust Fund was signed in February 2011 for an amount of €10.0 million and to be implemented over a period of 96 months.</p> <p>Implementation Mode The programme is implemented through an Administration agreement between the EC and the World Bank Group (joint management).</p> <p>Other contributions to the programme are as follows: - Norway (USD) 3,500 000</p>	<p>The specific objective of the TerrAfrica Country Flagship Programme is to scale up climate-smart land and water management practices on the ground, in order to accumulate landscape carbon and help bridge Africa’s climate adaptation deficit.</p>	<p>The programme’s expected results are as follows:</p> <ol style="list-style-type: none"> 1. Countries upscale SLM practices in priority zones. This will lead to on-ground climate adaptation and mitigation and their co-benefits including enhanced accumulation of carbon in soil and biomass, higher yields, etc; 2. Climate risk incorporated in to 	<p>The Programme is ongoing</p> <p>For more information: Contact Mr. Ojo at: ojo@acp.int</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<ul style="list-style-type: none"> - The Netherlands (USD) 6 000 000 - EC Budget (EUR) 815,000 		decision making on SLM.	
3. INFRASTRUCTURE AND NETWORKS SECTOR			
<p>ACP-EU Water Facility</p> <p>An allocation of €200 Million from the 10th European Development Fund (EDF) has been allocated to the Water Facility, increased by € 12 Million contribution made from the Spanish government. Three calls for proposals and the Pooling Mechanism were launched between February 2010 and December 2011.</p> <p>Implementation Mode: Direct Management – EC is the Contracting Authority</p> <p>The project has 2 components:</p> <ul style="list-style-type: none"> • Calls for proposals; • Projects identified under the pooling mechanisms 	<p>The specific objectives of the 10th Water Facility are:</p> <ul style="list-style-type: none"> • To help achieve the water and sanitation Millennium Development Goals (MDGs), which are to halve by 2015 the proportion of people without sustainable access to safe drinking water and basic sanitation, key prerequisites for reducing child and maternal mortality and combating diseases. • To contribute to improving water governance and management of water resources and to the sustainable development and maintenance of water infrastructure 	<ul style="list-style-type: none"> • Water, sanitation & hygiene projects selected via open Call for Proposals; • Twinning partnerships projects (to contribute to improving water governance and management). Water and sanitation utilities will be selected via a restricted call for proposals 	<p>The Programme is ongoing</p> <p>In total 308 projects have been financed including 25 financing agreements for actions implemented in over 60 countries (282 projects in Africa, 18 projects in the Caribbean and 8 projects in the Pacific). The evaluation of Facility by the external consultant is going on. The purpose of the evaluation is to assess the extent to which the Facility has achieved its objectives.</p> <p>More information: http://ec.europa.eu/europeaid/water-facility and at http://ec.europa.eu/europeaid/where/acp-regional-cooperation/water/ Contact: Ms. Christiane Leong at cleong@acp.int</p>
<p>Agreement No. REG/FED/2009/021-179 – The EU-Africa Partnership on Infrastructure- Support to Sub-Saharan Africa Transport Policy Programme – Development Plan 2 (SSATP-DP2) was signed in July 2009 for an amount of € 8.0 million. The Programme will be implemented under the Joint Management with World Bank</p> <p>Implementation Mode: Joint Management with the World Bank</p>	<p>The Specific objective of the programme (SSATP's Development Plan) is to support the Sub-Saharan countries, RECs and donors to strengthen the promotion of sound policies and strategies leading to the provision of safe, affordable, reliable, clean and efficient transport..</p>	<ul style="list-style-type: none"> • Result/Theme 1 : Comprehensive pro-growth and pro-poor transport sector policies and strategies adopted at REC and country level; • Result/Theme 2: Effective institutional and financial arrangements adopted for safe, reliable, affordable and accessible road transport services and infrastructure; • Result/Theme 3: Trade facilitation measures adopted and implemented 	<p>The Programme is ongoing</p> <p>Following the conclusion of a Contribution agreement between the EC and the World Bank, the implementation is in progress under the guidance of the Steering Committee.</p> <p>Contact Ms. Christiane Leong at cleong@acp.int</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
		in major regional transit corridors	
<p>Agreement No. REG/FED/2009/021-622 – The EU-Africa Infrastructure Partnership: Additional EC Contribution to the Infrastructure Trust Fund was signed on 13th January 2010 for an amount of € 200 million</p> <p>The Programme is implemented under Joint Management with EIB</p> <p>Implementation Mode: Contribution Agreement between the EC and EIB</p>	<p>The EC contribution is linked to the Council conclusions of May 2009 on Supporting developing countries in coping with the global economic and financial crises</p> <p>The project purpose is to increase financing for infrastructure projects in Africa by providing additional financial resources through blending of loans and grants</p>	<ul style="list-style-type: none"> • Interest rate subsidies: the provision of lump sum amount to a participating lender to enable such lender to make long-term loan finance available in flexible ways that reduce the total amount of debt service to be paid by the borrower; • Technical assistance: financing technical assistance including preparatory work for eligible infrastructure. 	<p>The Programme is ongoing</p> <p>Following the conclusion of a Contribution agreement between the EC and the European Investment Bank, the implementation is in progress under the guidance of the Trust Fund Board and the steering committee. Additional financial resources (EUR 329.0 million from the EC and EUR 23.0 million from UK) were added and these are dedicated to the improving access to energy.</p> <p>More information: http://www.eib.org/acp</p> <p>contact Ms. Christiane Leong at cleong@acp.int</p>
<p>Agreement No. REG/FED/022-796 – Intra-ACP Support to the Air Transport Sector and Satellite Service applications in Africa was signed on 26/01/2012 for an amount of €9.0 million.</p> <p>Implementation Mode: Decentralized Management as follows: Service Contract with IATA and ASECNA; Grant Contract with EASA; and Contribution Agreement with ICTP</p>	<p>The project objectives are:</p> <ul style="list-style-type: none"> • Harmonization of aviation safety and security regulations at the regional and national levels; • Improvement of aviation safety through technical assistance and training provided at continental and regional level 	<p>Expected results are as follows:</p> <ul style="list-style-type: none"> • Improved aviation safety and security; • Introduction of GNSS/EGNOS 	<p>The Programme is ongoing</p> <p>Contact Ms. Christiane Leong at cleong@acp.int</p>
<p>Agreement No. REG/FED/023-138 Technical Assistance in support to African power pools and African forum for Utility Regulators (AFUR)-allocated €8,000,000-Direct Centralised Management. Signed 26 /01/2012</p> <p>Implementation Mode: Direct Management (Contracting Authority is the EC)</p>	<p>The specific objective of the programme is to reinforce the capacities and institutional frameworks of the Power Pools and AFUR through sector studies, consultancies services and training activities. More qualified human resources and institutional strengthening are of crucial importance for the consolidation of the role of these organizations in establishing regional integrated energy market.</p>	<p>Expected results include:</p> <ul style="list-style-type: none"> • Four African Power pools and AFUR are strengthened: - Western African Power Pool; - Eastern African power pool; - Central African Power pool; - Southern African Power 	<p>The Programme is ongoing</p> <p>Contact Ms. Christiane Leong at cleong@acp.int</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<p>Agreement No. ACP/FED/2011/021-819 Caribbean Investment Facility signed on 04/10/2012. Allocated €40,000,000</p> <p>Mode of Implementation Direct Management (Contracting authority is the EC)</p>	<p>The purpose of the Investment Facility is to increase financing by leveraging funding for infrastructure projects in the Caribbean region through the provision of initial financial resources to the EU-CIF.</p>	<p>Pool.</p> <p>Expected results include:</p> <ul style="list-style-type: none"> • Better road, air & maritime transport infrastructure; • Improved energy infrastructure; • Improved access to information & communication technologies infrastructure; • Improved water & sanitation infrastructure; • Improved infrastructure linked to the prevention or mitigation of disasters and/or natural phenomena; • Improved social services. 	<p>The Programme is ongoing</p> <p>Contact Ms. Christiane Leong at: cleong@acp.int</p>
<p>Agreement No. REG/FED/023-056: Support to Transport Sector Development. F.A signed on 15th April 2013 for and amount of 4.0 million to be implemented within 72 months.</p> <p>Implementation Mode Partially decentralized management (delegated responsibility by the ACP Secretariat to AUC and Infrastructure Consortium for Africa (ICA))</p>	<p>The project purpose is to contribute to strengthened Africa-wide capacity to regulate, organize, promote and finance improved inter regional and continental transport infrastructure and services through interconnectivity across regions by promoting safe trans-boundary transport corridors and harmonized transport services.</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Support to the Dept of Infrastructure & energy in the AUC in the fields of transport harmonization and transport sector and services development. • Support to PIDA PAP for the start-up of smart corridor activities • Support to the Infrastructure Consortium for Africa (ICA) for implementing its strategic business plan 	<p>The Programme is ongoing</p> <p>Contact Ms. Christiane Leong at: cleong@acp.int</p>
<p>Agreement No. DO/FED/22172-EDF Contribution to an Investment Facility for the Pacific (IFP) was signed on 16 November 2012. Allocated amount is 10.0 million to be implemented in 204 months.</p> <p>Implementation mode Centralized Management and partially decentralized management:</p>	<p>The purpose of the Facility is to increase financing by leveraging funding for projects in the Pacific through the provision of initial financing resources to the IFP. The IFP main purpose is to promote additional investments for developing the infrastructure sector, promote good environmental management, support social sector such as health and education, and private sector development in the Pacific, promote climate-change resilience and reduce natural hazards impact.</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Improved infrastructure linked to the prevention or mitigation of natural hazards impact and/or adaptation to climate change and/or natural phenomena; 	<p>The Programme is ongoing</p> <p>Projects proposals submitted are being processed.</p>

EDF 10&11 INTRA-ACP BASIC PROJECTS INVENTORY MATRIX (March 2016)

Project Title & FA Decision	Description & Objectives	Results/ Activities	Implementation status
<ul style="list-style-type: none"> -Direct Centralized Management; - Indirect Centralized Management; - joint Management; - Partially Decentralized Management 		<ul style="list-style-type: none"> • Improved energy efficiency and energy savings; • Better road, air and maritime transport; • Improved access to information and communication technologies and improved level of service at reduced costs; • Improved water and sanitation services. 	<p>Contact Ms. Christiane Leong at: cleong@acp.int</p>
<p>Agreement No. REG/FED/022-798-Support t to the maritime transport sector in Africa was signed on 19 March 2013 for an amount of 5.0 million to be implemented in 60 months.</p> <p>Implementation mode Indirect management; Component 1: Grant via direct award to International Maritime Organization (IMO) Component 2: Technical Assistance</p>	<p>The programme entails to upgrade maritime data exchange, marine environment protection and maritime safety, principally in western and central Africa and in ports of the regions.</p>	<p>Expected results:</p> <ul style="list-style-type: none"> • Component 1: Increasing the frequency and quality of inspections of ships in West and Central Africa sea ports; • Improving quality, structure and exchange of information on movement and position of ships as well as specification of ships and cargo on board. 	<p>The Programme is ongoing</p> <p>Contact Ms. Christiane Leong (cleong@acp.int)</p>
