The 9th ACP Summit of Heads of State and Government takes place from 9 to 10 December 2019 in Nairobi, Kenya. The Summit, themed “A Transformed ACP: Committed to Multilateralism”, will be preceded by Ministerial Sessions from 6 to 8 December.

- To consider and adopt the revisions to the ACP’s Constitutive Act, the Georgetown Agreement;
- To provide political guidance on the way in which the Group redefines its vision and role to advance multilateralism;
- To give political leadership and guidance on ACP institutional structures to achieve sustainable development through Agenda 2030.
