## DISCLAIMER

As per section 2.2.4 of the Guidelines, in the interest of equal treatment of applicants, the Contracting Authority cannot give a prior opinion on the eligibility of an applicant, a co-applicant, an affiliated entity, an action or specific activities.

## AVIS

Comme stipulé dans la Section 2.2.4 des Lignes directrices, et afin de garantir un traitement équitable entre les demandeurs, l'Autorité Contractante ne peut émettre d'avis préalable sur l'éligibilité d'un demandeur, un codemandeur, une entité affiliée, une action ou d'activités spécifiques.

### QUESTION 2.1

I would like to clarify a doubt about this points of the candidacy of support to co-production in the area of cinema and audiovisual.

On Page 6 of the Guidelines, point 2.1.1 "Eligibility" refers to a minimum amount of support capacity of the lead applicant:

"shall have an annual average support capacity of at least 300 000 EUR during the last 4 years from the publication date of this call for proposal (to be proved by copies of financial acts, under section 2.4.4)..."

Could you please clarify if this amount can result from any economic activity? Does it have to result from audiovisual or cinema economic activities or can it result from other cultural or non-cultural economic activities?

### ANSWER 2.1

Indeed, in conformity with the point 2.1.1.a. of the Guidelines for grant applicants, the Lead Applicant must demonstrate to have:

***“an annual average support capacity of at least 300 000 EUR during the last 4 years from the publication date of this call for proposal (to be proved by copies of financial acts, under section 2.4.4)“.***

This amount can result from any economic activity.

However, in order to be eligible, the partnership as a whole (Lead applicant and co-applicant(s)) needs to demonstrate specific experience in the management of film and audiovisual support funds, as outlined in point 2.1.1.c. of the Guidelines for grant applicants.
